how to celebrate

Random Acts of Poetry Day is about painting poetry in the public square, either literally or figuratively. This little book will give you ten ideas for how to do that.

The background is a dark, textured surface with vibrant, glowing patterns. Two prominent, thick, curved lines in shades of orange and red sweep across the upper half of the image. Below these, there are several circular, concentric patterns in shades of blue, green, and pink, resembling cross-sections of a flower or a microscopic view of a cell. The overall effect is one of dynamic energy and artistic abstraction.

An abstract, vibrant background featuring a dark, textured surface with bold, curved stripes in bright red and cyan. A thin, light-colored branch with small green leaves and pinkish flowers stretches horizontally across the middle of the image. The overall composition is layered and textured, suggesting a close-up of a natural or artistic surface.
